

HEY MAMBO

2008 California Swanky White

Notes

This crisp summer sipper is a pale straw color with forward peach, apricot aroma and clove undertones. Muscat adds Chrysler rose petal notes and a tinge of jasmine which is from the Viognier. The palate is crisp due to the bright acidity from Clarksburg Chenin Blanc, with Sauvignon Blanc lending a dry and herbaceous quality. The finish on this wine is a symphony of all the best qualities of each varietal and is summarized by a fleshy blood orange essence. Nectary without being cloying, dry with orange oil and slightly textured with orange skin, this wine follows through with a ripe finish while maintaining a natural fruity grit.

Pairings

This wine is a perfect aperitif on a hot day over crushed ice with a twist of orange. It also accompanies a wide array of salads such as citrus infused beets, fennel and orange salads walnut encrusted goat cheese over watercress with champagne vinaigrette.
